# Workshops & Training

## Philanthropy Fast-Forward

- Explore how acts of kindness and generosity positively affects our mental health and helps create a wave of social impact.
- Layne takes participants on a thought-provoking (yet comical) journey into the history and modern-day models of giving.
- **Layne challenges the audience to reflect on their personal objectives with charitable giving.**

## Workplace Diversity, Equity & Inclusion (DEI) Series

- The learning series is focused on understanding the concepts of gender identity and how to create a workplace that is inclusive and accepting of all.
- Layne cultivates curiosity, acknowledges the complexities that come with gender identity, and explores the topic in a constructive way that unites and brings teams closer together.
- **Be inspired to drive meaningful and lasting DEI change.**

# What's Been Said

**"Layne's story is extremely impactful and delivered in an animated and engaging way. The feedback post-event was so positive that I would not hesitate to hire Layne again."**

Kendall Trembath, Women's Shelter Saakate House Inc.

**"Layne's keynote was like a Disney movie- taking the crowd up with achievements and strength, and having them experience the challenges- and it was no movie - it was [Layne's] life."**

Leroy Innanen, CMHA Oxford

**"How do you scare a comedian? Put them in a room with strangers who are in the middle of a crisis, feeling isolated and scared... I wish to express my heartfelt thanks for your time that continues to motivate and inspire."**

K. Stevenson, Crown Attorney

[#afpgoldenawards](#) [@AFPGolden](#) [@The\\_Auctionista](#) After those amazing philanthropists were honoured this afternoon, have you thought about having next year's sponsor be [@Kleenex](#)? Listening to their stories filled my heart with joy and love. And I used up the only tissue in my purse.
